

Town of Falmouth

TEMPORARY ASSISTANT HEALTH AGENT

The Town of Falmouth is seeking to fill a temporary position for an Assistant Health Agent. The position is available as soon as possible and requires a 12 month commitment. Under the direction of the Health Agent, responsibilities will include: enforces state sanitary code; performs site inspections of building lots; evaluates soil tests and percolation tests to determine suitability for sewage disposal facilities; inspects installation and repair of septic systems; inspects restaurants and other related duties. Bachelor's degree in physical science, public health or related field. Possession of a valid Massachusetts Class D motor vehicle operator's license is required. Registration as a state sanitarian. Ability to maintain complete and accurate inspection records and to prepare reports. Ability to communicate effectively in oral and written form. Moderate physical effort demanded while performing duties under conditions potentially involving disagreeable factors, with exposure to hazards associated with construction sites and potential exposure to communicable diseases and toxic or hazardous materials. The pay rate for this position is up to \$37/hour.

Position open until filled with preliminary review of applications to take place starting on 4/11/2022. Full job description, employment application and instructions for applying can be found at [Falmouth Job Opportunities](#). The Town of Falmouth is proud to be an EEO/AA employer.
