

## **Concord Public Health Division Environmental Health Inspector**

The Concord Public Health Division is seeking an Environmental Health Inspector to perform inspections and investigatory work pertaining to the enforcement of applicable public health and safety codes, protection of the environment; and control of disease; and other related work. Under the direction of the Public Health Director, the Environmental Health Inspector plays a key role in administering public health initiatives, with particular focus on groundwater protection, on-site wastewater, and environmental and sanitation programs. This position works closely with staff from the Health Division and other town departments for the provision of exceptional public health services, resources, and guidance to our residents and the business community.

The successful candidate will be highly motivated to work in a fast-paced environment with frequent interactions with residents, contractors, business owners, and real estate agents. Must have exceptional organizational, written and verbal communication skills, as well as proficiency with MS office software. Full salary range: \$57,407 - \$86,590; starting salary based on qualifications. We value diversity and welcome candidates from all backgrounds to apply. For more information or to apply, visit [www.concordma.gov/jobs](http://www.concordma.gov/jobs) or contact HR at 978-318-3025. EOE.
