

South Central Mass Partnership for Public Health Regional Public Health Nurse

The South Central Mass Partnership for Public Health seeks a Regional Public Health Nurse responsible first and foremost for supporting the region's Contact Tracing and Case Investigation efforts. The employee would also support the Towns with other communicable disease control, chronic and infectious disease prevention, and wellness programming, including wellness clinics, vaccination clinics, and chronic disease self-management support. This is a full-time, contracted, remote work position through the Town of Webster. Starting salary will range from \$80,000 to \$90,000 depending on qualifications and experience. If preferable, a part-time position is also possible. A resume and letter of interest should be emailed to: Connor Robichaud crobichaud@cmrpc.org. A full job description is posted at <https://www.webster-ma.gov/Jobs.aspx>
