

Town of Southbridge
Director of Health Department

The Town of Southbridge seeks qualified candidates for the position of Director of Health. This is an Interim or permanent employment opportunity. Our ideal candidate shall be responsible to oversee the operations of the Health Department, shall investigate and take action relative to complaints of violations of state rules and regulations, and conduct general inspections in the interest of protecting the public and environmental health.

The individual must have a working knowledge of the Commonwealth's public health rules and regulations and shall be capable of implementing/enforcing them. Must possess a certificate from the Commonwealth to perform restaurant inspections, and shall be certified by the Commonwealth to perform lead determinations as determined while conducting an inspection to enforce 105CMR410 Minimum Standards of Fitness for Human Habitation and any and all applicable laws. Must be eligible to become a registered sanitarian in the Commonwealth of Massachusetts.

Minimum qualifications: BA in public health/administration with at least five years of experience in the municipal sector. Hiring salary range \$85,206 to \$95,505 based on experience.

To submit an online application:
