

SANITARIAN

Natick Board of Health

The Town of Natick Board of Health seeks a highly responsible and experienced professional for the position of Sanitarian. Responsibilities include, but may not be limited to:

- Field inspections including but not limited to food establishments, nuisance complaints, housing, pools, camps, septic systems, etc.
- Plan review and administrative work in the office and field relating to all aspects of environmental health, sanitation and enforcement of the state sanitary codes and local regulations.
- Prepares order letters seeking enforcement of violations. Prepares documents in support of public health hearings and department enforcement actions, hearings, legal actions as well as presentation of public health rationale for enforcement in court.
- Attends educational meetings, seminars and training programs necessary to remain current with new regulations and policies; participates in professional organizations.

Qualified candidates must have a Bachelor's Degree in Biology, Environmental Science, Public or Environmental Health or related field, at least one year of experience, or any equivalent combination of education and experience.

Registered Sanitarian or Registered Environmental Health Specialist preferred, or the ability to be academically qualified to take the certification within eighteen months of appointment. Candidate must possess a valid Massachusetts driver's license.

Please visit: <https://www.natickma.gov/DocumentCenter/View/376/Sanitarian> for the complete job description.

The position is a Grade 2 on the Town of Natick Classification and Pay Plan. The salary range for position is \$55,000 - \$80,000 based on qualifications.

Interested candidates are required to submit a cover letter, resume and/or application along with three professional references to hr@natickma.org.
