

Town of Canton, MA
Public Health Nurse – Board of Health
Part-Time (20 hours per week and benefits eligible)

The Town of Canton seeks a Registered Nurse to work for the Canton Health Department. Position is responsible for promoting and protecting the health of, and preventing disease in, the Town's population. Duties include performing highly responsible professional nursing duties in a variety of public health programs; observing and evaluating the physical and emotional conditions of patients; conducting investigations of communicable diseases; and making home visits.

Bachelor of Science in Nursing (BSN) degree required and current Massachusetts license as a Registered Nurse. One to three years of experience in public or community health nursing or related field, or any equivalent combination of education and experience.

Complete detailed job description with qualifications, competencies and salary range is available at: www.town.canton.ma.us/Jobs.

Send cover letter, resume and Town application to: Meredith Hartling, 801 Washington Street, Canton, MA 02021; email to hr@town.canton.ma.us; or fax to 781-575-6602.
