

## **Town of Southwick**

### **Part-Time Public Health Nurse**

The Town is seeking a part-time Public Health Nurse for 15-19 hours per week at \$37.00 per hour. Under the direction of the Town of Southwick's Health Director, the Public Health Nurse provides public health nursing services to the towns of Blandford, Montgomery, and Russell. The Public Health Nurse provides health education and outreach to ensure and improve the health of the public; develops and implements public health programs; conducts infectious disease outbreak investigations and communicable disease reporting; conducts case management in accordance with public health laws and regulations; organizes and implements vaccination clinics and other clinical services; participates in emergency preparedness; and performs other related duties as necessary to promote the health of the community.

The applicant must have the ability to maintain confidentiality of medical information and other information of a sensitive nature. The applicant must have good personal relations skills and be able to make sound clinical decisions. Must have the knowledge and ability to research, analyze, and evaluate best practices in public health as well as interpret and apply Federal, State, and local policies, laws and regulations.

A bachelor's degree in public health, nursing, or a related field is required. Three (3) to five (5) years' experience in public health nursing is preferred. Must be licensed as a Massachusetts Registered Nurse and have and maintain a valid driver's license.

Applications may be returned in hard-copy form to the Select Board Office or Board of Health Office at 454 College Highway, Southwick, MA 01077 or via email to [thibert@southwickma.gov](mailto:thibert@southwickma.gov). This position is open until filled. The Town of Southwick is an Equal Opportunity Employer.

Application and job description can be found on the Town of Southwick website at the link below:
