

TOWN OF ROCHESTER
PART-TIME HEALTH AGENT POSITION

The Rochester Board of Health seeks candidates for a part-time professional Health Officer. Candidates should be highly responsible and enthusiastic, a self-starter to service as its next Health Agent. Candidate must possess a valid motor vehicle driver's license. This supervisory position is unbenefited, 18 hours per week, requiring oversight of others. Excellent written and verbal communication skills are essential.

The Department Head Level Position is responsible to providing professional, administrative, technical, and inspection work to plan, manager, and promote all aspects of the municipal public health department. This position is responsible for carrying out a variety of public health responsibilities including Title 5 systems, investigating complaints, and enforcing the State Sanitary Code. Candidates must have thorough knowledge of Massachusetts General Laws, codes, statutes, and enforcing the State Sanitary Code.

Position requires a B.S. in Public Health or related field. One to three years' experience as a health officer, or 3 years of public health experience preferred. Registration or ability to obtain Registered Sanitarian preferred or ability to within 3 years of hire. Job duties include performing inspections in accordance with State and Local public health laws and regulations, swimming pools, summer camps, nuisances, and other evolving aspects of public health.

High level of computer proficiency skill in computers and appropriate software applications such as Microsoft Office Suite. Skills in working with numbers and details.
