

TOWN OF NANTUCKET
Environmental Contamination Administrator

Job Summary:

The Town of Nantucket seeks qualified candidates for the position of Environmental Contamination Administrator. Under the general direction of the Public Health Director, the Administrator is responsible for planning, organizing and directing activities and programs related to public health contamination matters, including but not limited to PFAS, fertilizer contaminants and plastics. The Administrator promotes and actively participates in the promulgation of Health & Human Services Department initiatives through collaboration with other Town agencies and departments, community boards, non-profits and existing human services agencies.

Education & Experience:

A bachelor's degree in chemistry, or organic or physical chemistry or environmental science or related field with (5) five or more years of experience working in public health policy or environmental health science, or any equivalent combination of education and experience. The employee must have a valid driver's license.

Position Details:

40 hours per week Non-Union position.

Compensation commensurate with experience \$105,650 - \$129,150

This position is eligible for remote work with Town approval

Benefits:

Retirement pension through Barnstable County Retirement.

90% employer-sponsored health insurance plan options.

Diverse selection of supplemental insurance policies.

Application Deadline: October 11, 2024, at 4 pm

The Town of Nantucket (www.nantucket-ma.gov) is an Equal Opportunity Employer, a D.E.I. community, and encourages women, minorities, and veterans to apply. Visit <https://www.governmentjobs.com/careers/nantucket/> to apply online. If you have any questions, reach out to HR@nantucket-ma.gov.
