Career Opportunity

Town of Westford, Seeking Food Inspector (Part-Time)

Overview

Westford's Health Department is seeking a dedicated Food Safety Inspector to ensure compliance with state and federal food codes, protecting public health and preventing foodborne illness. This role involves conducting inspections, enforcing regulations, and providing education to local food establishments and the public.

Details

Salary: \$33.80 - \$38.25 per hour, dependent on qualifications and experience

Location: Health Department, Westford, MA

Reports To: Health Director

Key Responsibilities:

- Inspect food establishments, schools, daycare centers, and mobile vendors.
 - Review and approve food establishment applications and plans.
 - Enforce food safety regulations, investigate complaints, and conduct training.
 - Respond to food safety risks in emergencies.
 - Maintain records and assist with FDA voluntary inspection programs.
 - Research and apply for food safety-related grants.
-

How to Apply

Interested candidates should submit a resume to:
