

739 State Rd., Unit 7, Plymouth, MA 02360

Job Title: Food Inspector/Auditor

Are you a talented, self-starting individual with a good work ethic? This part-time position offers 15 - 20 hours/week on a flexible schedule.

Qualifications:

- Thorough knowledge of current 2018 Mass Merged Food Code
- Two years minimum experience as food auditor and/or local health food inspector.
- Applicant should have considerable computer skills and be adept at report writing with hand-written forms as well as electronic reporting on platforms such as Food Code Pro.
- Excellent communication and interacting skills with colleagues and food establishment personnel.

Tasks to be performed:

- Conduct regulatory food establishment inspections
- Hand-write and/or type audit and inspection reports
- Work with Excel spreadsheets, text, and email programs

ALSCO Food Check is a food safety consulting business. We conduct food establishment inspections under contract for several South Shore towns. In addition, we offer food manager training and exams and provide consulting, training, and audit services to food processors, warehouses, restaurants and food retailers.
