

HEALTH AGENT

Town of Acushnet

Wanted: Town Health Agent. This is a full-time, benefitted, union position for the Town of Acushnet. In the future, this position could be shared between the Town of Acushnet and the Town of Rochester as part of an Inter-Municipal Agreement. This position will be responsible for programs related to health inspections, Title V inspections, soil evaluation/percolation tests, certain quality of life complaints, agricultural animal inspections, wells and septic systems inspections, and public health issues in accordance with community and industry standards and goals as established by the respective Boards of Health and Boards of Selectmen. **Duties and responsibilities include but not limited to:** professional, technical, and administrative support to the Boards of Health; administration of the respective town's bylaws, health rules and regulations, evaluation of plans, preparation of proposed amendments to Town bylaws, and specific plans, grants, and projects. Night meetings required. **Minimum Qualifications:** Bachelor's degree and one to three years of experience in public health, engineering, or related field, or an equivalent combination of education and experience is required. Must be proficient with Microsoft Office and GIS. **Preferred Qualifications** Registered Sanitarian, or related discipline. Certified Soil Evaluator, Certified Title V Inspector, Certified Food Service Inspector within one year of appointment. All applicants must be able to pass a criminal background/CORI check and a pre-employment physical including drug testing. **Starting Salary:** \$70,000- \$80,000 DOQ. Resumes will be accepted until position filled at: Town Administrator Office, Town of Acushnet, 122 Main Street, Acushnet, MA 02743 or by email to resumes@acushnet.ma.us
