

**Town of Hamilton**  
**CAREER OPPORTUNITY | Shared Health Inspector**

The Town of Hamilton is seeking a motivated, community-focused individual to serve as a Shared Health Inspector, supporting regional public health services serving Hamilton, Wenham, Rockport, and Essex. This position plays a key role in protecting public health through inspections, enforcement, education, and regional collaboration.

**Key Responsibilities:**

Conduct public health and environmental inspections in accordance with state and local regulations  
Inspect food establishments, housing, pools, camps, septic systems, and other regulated facilities  
Investigate complaints and support Boards of Health across participating communities  
Assist with regional public health initiatives and standardized inspection practices  
Maintain inspection records, reports, and compliance documentation  
Collaborate with municipal staff, community partners, and regional public health teams

**Qualifications:**

Degree in public health, environmental science, or related field preferred  
Experience in local public health, environmental health, or inspectional services preferred  
Strong communication, organizational, and interpersonal skills  
Ability to work independently and manage multiple priorities  
Valid driver's license and reliable transportation

**Position Details:**

Full-time, flexible schedule (some evenings/weekends may be required)  
Based in Hamilton with travel to partner communities  
Grant-funded position through the Massachusetts Public Health Excellence Shared Services Program  
**Salary:** Up to \$60,000 annually
